# CERTIFICATE

## of Conformity of the Factory Production Control

## 1922 - CPR - 0386

In compliance with Regulation (EU) No 305/2011 of the European Parliament and of the council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

**Products and systems for the protection and repair of concrete structures. Surface protection systems for concrete. Reinforcement corrosion protection**

(For list of products, see Annex 1 to 1922 - CPR - 0386 that is an inseparable part of this certificate)

placed on the market under the name or trade mark of
**NEOTEX SA**
**V.Moira Str. 19600 Industrial Area Mandra, Greece**

and produced in the manufacturing plant
**NEOTEX SA**
**V. Moira Str. 19600 Industrial Area Mandra, Greece**

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standards

**EN 1504-2:2004 and EN 1504-7:2006**

under system 2+ are applied and that the factory production control is assessed to be in conformity with the applicable requirements.

This certificate was first issued on 21.11.2014 and will remain valid until 20.11.2019 as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified factory production control certification body. The certificate is supported through annual surveillance audit and is reissued after each surveillance audit. The validity of the certificate may be confirmed in the CE register at the web address www.dedal-bg.net.
